1. I will be Me and give My words to those who will be Me and want My words and write My words and speak My words and be My words. I love you. I give you Me.

2. **I give you Me** and you know whereof I speak, what I mean, what I give and don't protect, coming into Me for eternity; rolled up into moments, **My appearing and going back and forth in the** kingdoms of this world not, but the **kingdom of heaven in this world**. Amen and glory hallelujah.

3. I give My words to those who will walk, think, eat of purity and taint not My process of maturation/matriculation. I love you. I give you Me.

4. I gave you Me, did you see/enjoy Me? Oh yes and amen. Glory hallelujah to the lamb slain forevermore and a day not, forevermore and forevermore and eternal'd thought into eternity. I love you. Glory hallelujah to Me, you, My risen at dawn, before, to write My words.

5. I lovest thou Me you, Me you, one, one, one; Me'd, Me'd, Me-ship being and one-ship reigning supreme. One'd Me'd, Me'd one, you. You Me'd. I love you.

6. Precious art thou in My sight, line of vision.
I love you. I give you Me.

7. My University arises from ashes not, from nothing.
I give you Me.
I give you Me.

8. I give you all of Me over and over and over again; at your will.
I give you Me, model of Trinity released, loved, expanded beyond expanse. I love you.

9. Extant not. Living, vibrant, and who will be Me this day? Choosing to walk in My heat/leadership/path of progress led by Most High. Amen. I love you.

10. Glory hallelujah to the lamb slain forevermore. I love you. Amen.
I give you Me, gloriously, gloriously, in gloriousness, gloriousness.
I glory in your glorying in Me. I love you.

11. Slain. Slain. Slain, okay, oh yes, My Mine.

12. Thou hast only begun to see/feel/perceive/behold Me in the fullness that I am.

13. I am the beginning and the end.

14. Cindy Jacobs of Me. **Barbi Cottingham of Me.**
